

Jonathan Mayer

Organic Social & Video Leader

Content Strategy · Audience Growth · Analytics · Creative Operations
jonmayerguy.com [LinkedIn](#) jon.w.mayer@gmail.com New York, NY (845) 661-5480

10+ years leading creative teams and driving exponential audience growth. Scaled Babbel's organic reach from 10M to 500M+ annual views with proprietary analytics app (built with AI).

EXPERIENCE:

Head of Organic Social, Babbel

April 2022-Present

- Grew annual organic views 50 times, from 10M to 500M/year.
- Grew TikTok followers from 24K to 797K, Instagram from 313K to 867K, and YouTube subscribers from 179K to 370K, managing a team of six creatives.
- Built an AI-enabled custom analytics platform using React and Supabase to automate monthly reporting and uncover meaningful content insights.
- Installed new production workflows to 10x output and improve performance.

Head of Video, MentalFloss.com

Jan 2019-April 2022

- More than tripled YouTube revenue after taking leadership of the video department.
- Wrote and produced 65% of the channel's highest-performing videos, measured by views, watch time, and subscribers acquired.
- Streamlined production with custom Airtable to 2.5x output (roughly 2 hours of long-form YouTube videos/week and daily shortform from a 3-person team).
- Recruited and developed producers, achieving 100% retention during tenure.

Video Producer, Hatched/Sideswipe Media

June 2017-Dec 2018

- Grew subscribers for a comedy channel 20%.
- Produced an animated series selected by SeriesFest & Catalyst Story Institute.
- Edited branded video campaigns for local-business clients.

Freelance Video Producer

2012-2017

- Clients included Priorities USA, Upworthy, Bureau Betak Design
- Press coverage of work included Jezebel, Bust, and Splitsider/Vulture
